

# Tanzania Ecosystem and Conservation Organization (TECO)

*Empowering Communities. Conserving Nature. Inspiring Change.*

---

## About Us

The **Tanzania Ecosystem and Conservation Organization (TECO)** is a non-governmental, non-profit, and non-political organization founded in 2023. TECO is dedicated to conserving Tanzania's rich ecosystems while fostering sustainable livelihoods and community resilience. Registered under the Non-Governmental Organizations Act, 2002, TECO works in partnership with communities, government bodies, and development partners to ensure harmony between people and nature.

## Our Vision

*A sustainable future where communities and ecosystems thrive in balance.*

---

## Our Mission

To promote conservation and sustainable use of natural resources through community-based initiatives, research, advocacy, and education.

---

## Our Objectives

TECO's work is guided by the following core objectives:

- **Ecosystem Conservation:** Promote the protection and sustainable management of terrestrial and aquatic ecosystems, including forests, wetlands, mountains, rivers, and marine environments.
  - **Climate Change Mitigation and Adaptation:** Support local communities in understanding, adapting to, and mitigating the impacts of climate change.
  - **Community Empowerment:** Enhance community awareness and participation in environmental governance, natural resource management, and economic empowerment.
  - **Research and Innovation:** Conduct research and apply innovative approaches to address environmental and social challenges.
  - **Education and Awareness:** Deliver environmental education, awareness campaigns, and capacity-building programs to stakeholders at all levels.
  - **Policy Advocacy:** Influence policies and legislation that support environmental sustainability and human rights.
-

## Our Approach

TECO's work is built upon the principles of:

- **Community Participation:** We believe the people who live closest to natural resources are the best stewards of the environment.
  - **Evidence-Based Action:** Our interventions are guided by data, local knowledge, and scientific research.
  - **Partnership and Collaboration:** We work with government institutions, civil society, private sector actors, and international partners.
  - **Transparency and Accountability:** We uphold high ethical standards and remain accountable to our stakeholders and beneficiaries.
- 

## Key Areas of Intervention
